

Dario Pascarelli

LEED AP

Dario graduated from Cal Poly- San Luis Obispo earning his B.S. in Construction Engineering/Management and graduating Cum Laude. He is certified as a LEED Accredited Professional, a great asset with the industry's emphasis on "green" construction. Dario's experience includes working for DPR Construction, Inc. a multi billion dollar company and EPI General Contractors specializing in tilt-up construction. Dario has continued his education to gain a certificate in Design, and is a member of the National Kitchen and Bath Association (NKBA) and the American Society of Interior Designers (ASID). His experience includes projects ranging from \$100 million to \$100,000.

Projects include:

The award winning project of Kaiser Permanente Otay Mesa Outpatient Medical Center, in San Diego, CA; record- time breaking Rolling Oaks Office Building in Thousand Oaks, CA; and the mechanically and electrically complicated Capstone Turbine in Van Nuys, CA, Parkway Hummer Dealership (the first of its kind in California), Altrio Communications, Alliance Pharmaceuticals, Avery- Dennison Research Labs, and Advanced Tissue Sciences (which included clean rooms and/or laboratory testing space).
